

"Bugs and Weeds Away--the Natural Way": Lecture by John Jackson, PhD, entomologist

on Tuesday May 29th
7 PM at Iron Works
312 W Union St, West Chester Borough
(SW corner of S New St and W Union St)
On-site parking

Come find out the tricks for having a weed-free sidewalk
and neutralizing mosquito breeding spots in
your yard--all without harmful chemicals.

John Jackson provides practical advice for a happy summer
outdoors without pesticides or herbicides, without mosquitoes or weeds.
