

## West Chester Green Team

The West Chester Green Team is a new organization in the West Chester PA area supporting a renewable future and residents' desire to lead a greener life style.

WCGT's component organizations:

### **Don't Spray Me! (DSM)**

[dontsprayme.com/](http://dontsprayme.com/)

raises awareness about the dangers of pesticides, herbicides, and other chemicals, and promotes natural gardens and lawns, and healthy food.

### **Plastic-Free Please Action Group**

Facebook: search "West Chester Plastic Free Please"

informs residents and businesses about reducing plastic use in our everyday lives and encourages retailers to reduce single-use bags and packaging.

### **Chester County Citizens for Climate Protection (4CP)**

[chescocooler.org/](http://chescocooler.org/)

educates the community on the serious consequences of climate change and promotes actions to reduce greenhouse gas emissions.

### **Ready for 100**

[sierraclub.org/ready-for-100/](http://sierraclub.org/ready-for-100/)

works with local leaders and helps cities and communities to transition to 100% clean, renewable energy.
